# Farid Azzam

Software Engineer

N Teseen St, New Cairo 1, Cairo, 11865 | +201110366720

farid.azzam.2001@gmail.com | LinkedIn | GitHub

An ambitious fresh CS graduate seeking a challenging position in software development. Skilled in utilizing problem-solving skills cultivated in four years of rigorous academic performance.

## EDUCATION

**Bachelor of Science (B.S.) - Software Engineering**          Sep 2019 - Jul 2023
*The British University in Egypt*

**Bachelor of Science (B.S.) (Hons.) - Software Engineering**          Sep 2019 - Jul 2023
*London South Bank University*

## EXPERIENCE

**Full stack Development Intern**          Nov 2024 - Jan 2025
*Information Technology Institute (ITI)*
- Gained expertise in application version control systems using Git.
- Developed various projects using ReactJS, HTML5/CSS3, and Javascript.
- Gained hands-on expertise in Linux System Administration and Bash scripting.
- Mastered MySQL Database querying and relational database design.

**Programming & Solutions Developer Intern**          Aug 2024 - Aug 2024
*Timeline EG*
- Applied control programming concepts using Lua.
- Designed DSP systems and GUIs in Q-SYS designer software.
- Received Q-SYS Control 101 and Q-SYS Level 1 Certifications.

**PHP Developer**          Sep 2023 - Oct 2023
*123Credit.ro*
- Maintained web application using PHP syntax to fix variable type-conversion problems.
- Diagnosed several administrator database retrieval problems through analysis and collaboration with development team.
- Written and tested code that enhanced minor website interoperability issues.

## SKILLS

React.js, Bootstrap, JQuery, Node.js, Express.js, Laravel, MySQL, MongoDB, Redis, NoSQL, C++, Java, PHP, HTML5, CSS3, Javascript, Python, Flutter, MVC, OOP, Software Architecture Design Patterns, IoT, Embedded Systems, Backend Frameworks, Frontend, Git, Visual Studio, Arduino, Selenium, TestNG, Cucumber, WebdriverIO, RESTful APIs, Agile, Scrum, GraphQL, Lua
**Soft Skills:** Troubleshooting, Decision-making, Communication, Leadership

## LICENSES & CERTIFICATIONS

**SQL (Advanced)** 2024
*HackerRank – Credential ID: 615956EE361C*

**Introduction to Software Testing Concepts & Techniques** 2024
*ITIMOOCA – Credential ID: AO49fQDPEI*

**Introduction to Data Science** 2024
*Cisco* – Credential ID: *cbd5df76-8b74-4aff-a66d-07e3ee497145*

**ReactJS** 2024
*ITIMOOCA* – Credential ID: *ELlmM7QIQw*

**Q-SYS Control 101 Training** 2024
*QSC* – Credential ID: *1174*

**Q-SYS Level 1 Training** 2024
*QSC* – Credential ID: *240*

**Internet of Things (IoT) Training** 2022
*Automate IT & Business (AITB) – DT-OT-OT-221006063622*

**Back-end Development (Node.JS) Training** 2022
*Automate IT & Business (AITB) - SE-WD-N-220625055333*

## LANGUAGES

***Arabic*** – Native or bilingual proficiency

***English*** – Native or bilingual proficiency

## ADDITIONAL INFORMATION

***Military Service*:** Exempted

***Willing to relocate*:** Anywhere

***Eligible to work in Egypt*:** Yes

***Date of birth*:** 2001-06-13
